

Thank you for purchasing Sullivans Add-A-Table, please note that there is NO ASSEMBLY required, your Add-A-Table is ready to use out of the box, the following guidelines are simply to help you set up your table for regular use and also show how to connect more Add-A-Tables (sold separately).

1. Remove **Add-A-Table** from packaging and rest it on a flat wall with both hinges facing up as shown.

2. Remove **Strap Tie** and lift up the left and right table legs as shown.

3. Fold out the left and right legs and place them into their respective leg retainers as shown.

4. Adjust the Table's Height and Angle as desired.

**Please note:** When raising the table, raise the back legs first, then the front. When lowering the table, lower the front legs first, then the back.

5. When used as a drawing board, tighten rail supports and use pencil rail.

6. Use the included joining plate and screws to join 2 or more ADD-A-TABLES together.
