

Thank you for purchasing Sullivans Quilt & Sew Add-A-Table, please note that there is **NO ASSEMBLY** required, your Quilt & Sew Add-A-Table is ready to use out of the box, the following guidelines are simply to help you set up your table for regular use and also show how to connect more Quilt & Sew Add-A-Tables (sold separately).

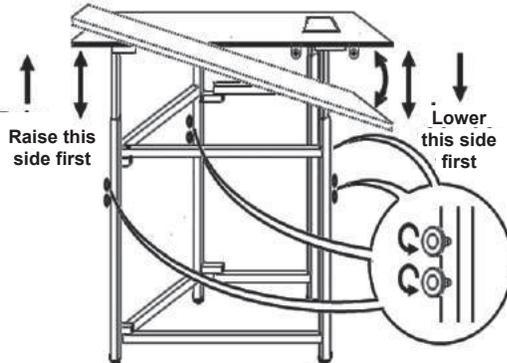

1. Remove Quilt & Sew Add-A-Table from packaging and rest it on a flat wall with both hinges face up as shown.

2. Remove strap tie and lift up the left and right table legs as shown.

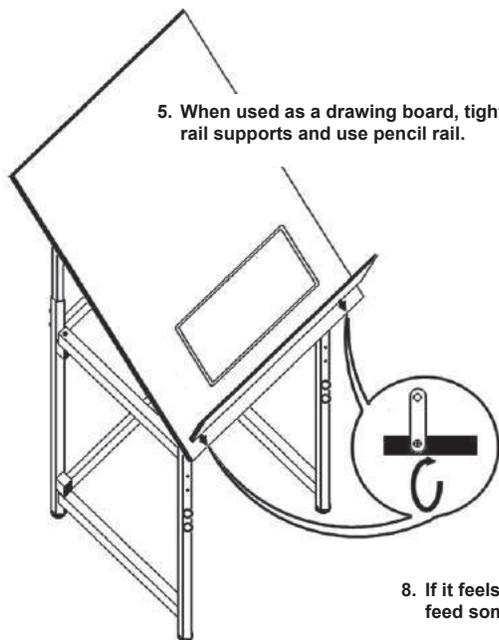

3. Fold out the left and right legs and place them into their respective leg retainers as shown.

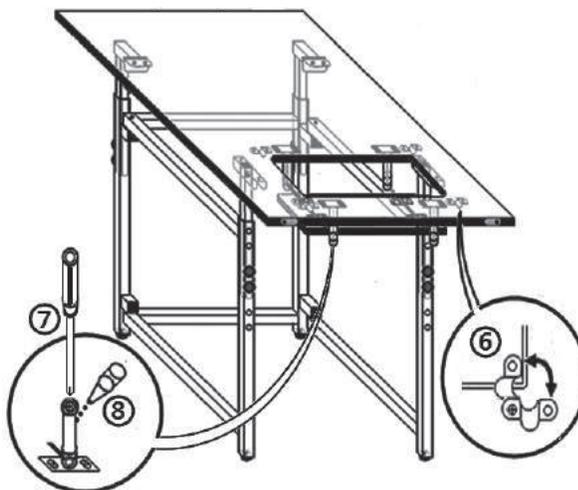

Raise this side first

Lower this side first

4. Adjust the table's height and angle as desired. Please note: when raising the table, raise the back legs first, then the front. When lowering the table, lower the front legs first, then the back.

5. When used as a drawing board, tighten rail supports and use pencil rail.

6. On the back of the small board, there are 4 small brackets holding the small board, remove the brackets away, then you can drop down or lift up the small board, push up the two steel wires on the small board to lift it up.

7. The height of small board is adjustable from 3.25in to 3in, there is a screw inside the small rubber column support. You may screw it in clockwise or counter clockwise to adjust the small board's height.

8. If it feels a little too tight when the small board drops down or lifts up, feed some machine oil on the small rubber column supports.

9. Use the included joining plate and screws to join 2 or more Quilt & Sew Add-A-Tables together, please refer to the pictures on table box.
